

## **ASAC Annual Awards**

Out of an abundance of caution, the American Saddlebred Association of the Carolinas (ASAC) canceled its 42<sup>nd</sup> awards banquet and in-person general membership meeting scheduled for February 6, 2021. The annual membership meeting was held virtually instead.

The following officers and board members were elected:

President – Karol Kunkle  
Vice-President –Chris Bishop  
Treasurer – Kim Williams-Griffin  
Secretary – Betsy Boone  
Show Affiliate – Sandra Hall  
NC Corresponding Secretary – Kathy Carpenter  
SC Corresponding Secretary – Erin Fann  
SC Professional – Mary Lou Carrick

## **SPECIAL AWARDS**

**(presented by ASAC President Chris Bishop)**

Because of the abbreviated show season and limits on other normal ASAC activities, only the following three special ASAC awards were conveyed:

The **MARTINA ROSEBERRY SPORTSMANSHIP AWARDS** are named in honor of ASAC's first association President Martina Roseberry. Martina passed away in 1999 but served ASAC for many years and worked tirelessly to promote our association and our breed. The definition of Sportsmanship: the fair and generous behavior or treatment of others, especially in a sports contest.

### **Martina Roseberry Sportsmanship Award - Professional**

This individual goes above and beyond to promote the American Saddlebred, ASAC , UPHA, and the Carolinas Futurity. He has been a member of these organizations and served as an officer both in NC and nationally. He is a third generation horseman and always a gentleman like his father and grandfather. He is constantly looking for ways to grow ASAC and our breed on a national level. We have watched him grow up showing in the small show rings of NC to riding the Five-Gaited World Grand Champion on the green shavings of Louisville! You would have been hard pressed to find a bigger smile on anyone's face in Kentucky that Saturday night. It's my honor to announce our Professional of the Year, **Matthew Shiflet**.

### **Martina Roseberry Sportsmanship Award - Amateur**

This individual is highly respected among her peers. She is a "go getter," and you better not stand in her way when it comes to ASAC. She has taken ASAC to a level of financial stability we have not seen in years. I personally have learned how difficult and demanding her job is. There is a lot of behind the scenes work that goes on, and it has made me respect her even more. She volunteers her time willingly for the growth of ASAC. Our Amateur of the Year is **Karol Kunkle**.

### **Martina Roseberry Sportsmanship Award – Youth**

The next individual is an ideal recipient for the Martina Roseberry Youth award. She exudes a genuine love for the American Saddlebred, displaying a strong work ethic and promotes an encouraging atmosphere everywhere she goes. She is a passionate competitor who is always excited to be in the show ring. Making her debut in academy at the age of 10, she now enters her final year as a junior exhibitor riding in the Junior Exhibitor Three-Gaited division. Practicing relentlessly, she is determined to be the best rider she can be, always finding room for improvement and always proud of her performance no matter the ribbon. She carries this positive attitude everywhere she goes and is a great supporter of fellow ASB enthusiasts. When she is not in the show ring, she can be found cheering on other competitors and lending a hand, whether it be assisting academy instructors or helping other riders of any barn prepare for their classes. She enjoys serving and putting others before herself. She has been an active ASAC Youth officer for the past three years and also volunteers much of her time at Victory

Farm helping children with disabilities gain confidence and strength through riding American Saddlebreds. She savors time spent with her barn family and is loved by all who meet her. Our Junior Exhibitor of the Year is **Caroline Josephson**.

### **ASAC Eddie Case Memorial Scholarship**

The letters of recommendation for this individual were impressive to say the least. One of the letters stated

*"This individual embodies all that reminds me of Eddie. She is always the first to ask what she can do to help! She jumps into any job with a huge smile and a giving heart. From the very first time I met her, and didn't even know her, she was reaching out to me with support and a smile, anxious to do whatever she could to help others. She has been instrumental in the Ride for the Cause programs to raise money for Victory Farm and assisted in many fundraisers. I've had the pleasure of being around her at the barn and at shows. She carries the same loving, supporting, uplifting spirit as Eddie ... and has the talent to match. She's the best sport I know, always lifting others up, never uttering an unkind word, and always willing to lend a helping hand. If this award is based only on sportsmanship ... she's your gal!"*

But we also know of her accomplishments outside the ring in ASAC Youth, academics and of course, her outstanding riding ability and show record. She makes us all proud! She makes me proud too. It's my honor

to recognize **Gracie Ledet** as the 2021 Eddie Case Scholarship recipient.

### **CAROLINAS' FUTURITY DISTINGUISHED SERVICE AWARD**

A long-time supporter of the American Saddlebred, the recipient of this award is a "behind the scenes" kind of person. Always present, never loud, and never complaining, this person is always supportive of what is best for the Futurity's growth, both in our states and on the national level. The entire family is involved with Saddlebreds in a variety of ways including breeding, showing, and serving as organization members to promote the Saddlebred. He is always ready with a great idea for marketing our breed and ever ready with financial support for the Futurity. Please recognize and congratulate **Rance Boozer**, the 2020 Carolinas' Futurity Distinguished Service Award winner.

### **CAROLINAS' FUTURITY DISTINGUISHED BREEDERS AWARD**

This year's award recipient is a life-long supporter of the American Saddlebred. While her children were showing, she could always be found on the rail cheering them on. When the kids stopped showing, it was Mom's turn to shine in the show ring and with the fine babies she has raised. Her support of the Carolinas' Futurity growth is evidenced in her yearly nominations, as well as her commitment to showing her horses in the Futurity classes each fall. Please congratulate the Carolinas' Futurity Breeders Award winner for 2020, **Anita Simpson**.

## **The Sparky Award**

**The Sparky Award** was initiated by Chestnut Lane Riding Academy in loving memory of Sparky, a beloved lesson horse. It is presented each year to the individual with the highest total academy points for the show season.

The top three riders out of a total of 188 eligible riders are:

Natalie Hancock – 11-13 Walk/Trot/Canter – Jon Walker Stables  
Abbie Hobby – 14-17 Walk/Trot – Jon Walker Stables  
Emma Huffstetler – 11-13 Walk/Trot – Jon Walker Stables

These three riders exemplify what it takes to be a winning high point competitor – dedication, fortitude, talent... AND families that support them, ESPECIALLY in a year that was challenging to say the least. Even in a year that saw a lot of cancelled shows, these riders successfully competed in a combined total of 78 classes at 11 eligible horse shows across 5 states. Wow!

Our winner distinguished herself by placing first in both equitation and showmanship in 11-13 Walk/Trot, the largest academy division of the year. During the 2020 season this rider earned points in a total of 30 classes at 11 horse shows. **All but two of her 30 ribbons were firsts and seconds** earning this rider an impressive 5,690 points. What a tremendous accomplishment!

Congratulations to this year's winner of the Sparky Award

**Emma Huffstetler from Jon Walker Stables**
